KINGSPORT AREA TRANSIT SERVICE

KATS OFFERING FREE TOTE BAGS WITH NOVEMBER PROMOTION!

KATS will be hosting “Thankful Thursdays” in the month of November offering free tote bags (2 per person while supplies last) on the route buses, at the transit station at 109 Clay Street and on the Dial-A-Ride van service every Thursday in the month of November.

We would like to thank our loyal passengers for choosing KATS for their mode of transportation. “ The goal is to assist people in carrying only what they can safely and securely hold on their laps with safety being our number one goal and customer satisfaction at a close second” said Transit Director Gary Taylor.

To highlight the many benefits of public transportation, KATS will be offering a series of monthly specials for the 2015-2016 upcoming year. Many people enjoyed our “Free Fall Friday Event” which just took place in October. Stay tuned each month to see what will be offered! Make sure

you take advantage of these deals, and tell your friends and family members. You can learn more about KATS at www.kingsporttransit.org.
